List of Possible Allergens

- Acetaldehyde
- Allura Red AC
- Alcohol
- Amaranth
- Animal products
- Animal medicines
- Apple
- Apricot and Apricot kernels
- Artificial colors
- Artificial flavors
- Artificial sweeteners
- Aflatoxines
- Aspartame
- Autolysed yeast & yeast extracts
- Azo colours
- Azorgine
- Banana
- Barley & Barley products
- Beef products & derivatives
- Benzoic acid & Benzoate salts
- Benzo (a) pyrene
- Benz (a) anthracene
- BHA / BHT
- N- Butanol
- Buckwheat
- Cacao
- Caffeine
- Calcium Ferrocyanide
- Calcium Propionate
- Calcium Silicate
- Carmoisine Azurobine
- Carrot
- Casein
- Castor Oil
- Celery
- Cinnamon
- Cochineal red
Coriander
Cottonseed flour
Cyanuric acid
Dairy & Dairy products
Di Ethylene Glycol
Dioxine/ Furane
Eggs
Ethanol
Isopropyl Alcohol
Fish / mollusks / Crustacea
FD&C yellow #5 (CAS No. 1934-21-0)
FD&C yellow #6 (CAS No. 15790-07-5)
FD&C Red No. 3 (CAS No. 16423-68-0)
FD&C Red No. 40 (CAS No. 25956-17-6)
FD&C Blue No. 1 (CAS No. 3844-45-9)
FD&C Blue No. 2 (CAS No. 54947-75-0)
Formaldehyde
Fruits
Gallate or Gallate derivatives
Gelatin
Glycerine
Glycyrrhizic acid and its salts
Glutamic acid and derivative salts
Gladiin
Gluten
Grapes
Guar gum
Halogenated Carbohydrates
HPP
HVP
Hydrogenated oil
Kiwi
Lactose
Laxt
Legumens
Lupine
Lycorice and Lycoriced products
Melamine
Methoxy Progestine Acetate
Mono Sodium Glutamate
Mollusks
Mustard and Mustard derived products
2-Methylbutyraldehyde
Modified food starch
Nicotine
Nitrofuran or Nitrofuran Metabolites
Nuts and Nuts products from any source
Oat & oat products
Orange
Parabens
Peach
Peanut & derivatives
Pear
Phenylalanine
Phthalic acid and its derivatives
Pine and Pine kernels
Polychloral Biphenyl
Polycyclic aromatic compounds
Polysorbate
Ponceau 4R
Poppy seeds
Pork products & derivatives
Potassium Ferrocyanide
Potatoes
Propionaldehyde
Propyl aldehyde
Propyl Gallate
Proteins hydrolysates
Pulses & Beans
PVC
Quinoline yellow
Quaternary ammonium salts
Rapeseed
Rice
Rye & Rye products
Saccharin
Saccharose
Safflower & Safflower products
Sunflower & Sunflower Oil
Salicylic acid & salicylic acid salts
Sesame and Seasome products
Shell fish
Sodium Ferrocyanide
Sorbic acid & sorbates
Sorghum
Soy and soy derivatives
Sudan red
Sulphites
Sunset yellow
Tartrazine
TBHQ
Tertiary Butyl Hydroquinone
Tocopherols
Tomato & Tomato derivatives
Trans Fatty Acids
Tree huts
Tropical oils
Umbeliferae
Vanillin
Vegetable oils
Wheat and wheat products
Yam
